Frequently Asked Questions (FAQs) about समीक्षा RSB JE 2026 Test Series

1. Which Test Series mode should I choose?

You can enroll in any of the available modes—Offline, E-OMR, or Online. Choose the mode that best suits your convenience and preparation style. The syllabus, difficulty level, and evaluation standards remain the same across all modes.

2. How is the All Rajasthan Ranking prepared?

The All Rajasthan Ranking is prepared by combining the performance of candidates from all three modes (Offline, E-OMR, and Online) who attempt the test on the scheduled test date. A single merit list is generated based on their scores.

3. Will I be able to download the question paper in Online or E-OMR mode?

No. In Online and E-OMR modes, the question paper can be viewed during the test and will remain available for review after the test. However, it cannot be downloaded.

For Offline Mode, a printed hard copy of the question paper is provided.

4. In which language will the solutions be available?

After each test, the Answer Key and Detailed Solutions will be provided in both Hindi and English.

5. When will the Full-Length Test schedule be released?

The schedule for the Full-Length Tests will be announced after the official exam notification is released.

6. What happens if I miss the test on the scheduled date?

Online & E-OMR Mode: You can attempt the test once after the scheduled date. However, your score will not be considered for the All Rajasthan Ranking of that particular test.

Offline Mode: You can collect your Question Paper and OMR Sheet from the institute after the scheduled test.

7. How many attempts are allowed in Online and E-OMR mode?

You can attempt the test on the scheduled date. If you miss it, you will get one opportunity to attempt the test later. However, the score of the late attempt will not be included in the All Rajasthan Ranking.

8. Are multiple attempts allowed in E-OMR and Online mode?

No. Only one attempt is allowed for each test in both E-OMR and Online modes.

If you miss the test on its scheduled date, you can use your single attempt on any later day at your convenience. Please note that only one attempt is permitted for each test.

9. Can I view my performance and the answers I marked after attempting a test?

Yes. In Online Mode, you can view your test performance, including your score, analysis, and the answers you marked after submitting the test.

10. What will be the test centre for Offline Mode?

The designated test centre for all Offline Mode tests will be the ZONE TECH Campus, located at: F-26, Madhuban Colony, Near Pink City Honda, Tonk Road, Jaipur, Rajasthan.

Students must report to the campus on the scheduled test date and time to appear for the examination.

11. Is there any Offline Test Centre outside Jaipur?

No. Currently, there are no Offline Test Centres outside Jaipur.

However, if you wish to take the test from outside Jaipur, you can choose the E-OMR Mode. In this mode, you can attempt the test from your preferred location. After completing the test, simply scan your filled OMR Sheet and upload it to the portal for evaluation.
